Cruising the Whitsundays

Day 1 - 2

HAMILTON ISLAND - WHITSUNDAY ISLAND

Fly into the tropical destination of Hamilton Island where your personal crew awaits to escort you to your yacht. A glass of champagne waits for you on arrival as you depart for the little known, but most picturesque, anchorage in Mays Bay on the western side of Whitsunday Island. Wine and cheese are the order of the day as the sun sets while you relax and discuss the adventures of the week ahead.

Day 3 - 4

BLUE PEARL BAY - BUTTERFLY BAY - HOOK ISLAND

Awake to the peaceful sounds of a tropical paradise and set off for a leisurely cruise north to Blue Pearl Bay, off the back of Hayman Island, your morning is spent snorkeling around the incredibly colourful coral formations. Lunch awaits you upon your return. Then it's off to Butterfly Bay a short but stunning cruise past scenery which exemplifies the Whitsundays' reputation. The afternoon is yours to swim, snorkel, relax on the sun beds or test out the toys onboard. For those looking for some pampering, why not visit the day spa at the world renowned One&Only Hayman Island Resort, followed by sunset cocktails around the signature hexagonal pool. After a fun filled day sit back and relax as your crew steer to the calm anchorage for the night off Hook Island.

Day 5 - 6

LUNCHEON BAY - MANTA RAY BAY - NARA INLET

Your breakfast anchorage, Manta Ray Bay is known for spectacular snorkelling. Cruise down the eastern side of Hook Island, past the spectacular Hook Passage and enter into one of the prime anchorages in the Whitsundays at Nara Inlet. The afternoon has a more cultural tone. A quick trip in the tender will have you following a bushwalking path leading to ancient Aboriginal cave paintings and spectacular views of surrounding waterfalls. When you once again tire of land, you will return for dinner and cocktails in one of the most tranquil and picturesque anchorages to be found.

Day 7 - 8

BAIT REEF - CID HARBOUR

Waking up in the beautiful Nara Inlet guests will enjoy breakfast before you make your way to Bait Reef around an hour's cruise off the Great Barrier Reef. Guests can then have the option of snorkeling or diving at Bait Reef. Bait Reef offers an abundance of tropical marine life including large soft corals, reef fish, turtles and the occasional spotting of a wobbegong or manta ray.

Day 9 - 10

WHITEHAVEN BEACH - CHALKIES BEACH - WHITSUNDAY ISLAND

Following breakfast, head for the most famous beach in the Whitsunday archipelago Whitehaven to experience the purity and silklike sands this beach is so famous for. Then to Chalkies Beach, before anchoring up for the final night. The next morning, you make your way around the largest island, Whitsunday Island before retuning back to Hamilton Island and reality, leaving only your footprints and taking your memories from an unforgettable experience.
